

8th October 2014

Dear Parents

Assalamu Alaikum

AN ALERT FROM GREATER MANCHESTER POLICE

The school has been informed by Greater Manchester Police that there have been two incidents in the last week where males have tried to entice girls into their vehicles. Both incidents have occurred in the Chorlton area. Police are investigating both incidents; further information can be obtained from the GMP/Twitter website.

The school does not wish to be alarmist but we would ask you to speak to your daughters about being safe when coming to school.

- To walk on the inside of the pavement, facing the oncoming traffic.
- To with other pupils if possible
- Not to engage in conversation with strangers
- If worried to go into a nearby shop

Thank you for your help and consideration in this matter.

Wassalam

Mrs C Pennington

Health & Safety Co-ordinator
