

26th September 2014

To the Parents of Year 11 H1

Dear Parents

Assalamu'Alaikum,

The Science Department would like to ensure that the Physics syllabus for separate sciences is completed in good time before the start of the summer examinations. Pupils will then have ample time to revise. In order to achieve this the Science Department has decided to offer 11H1 an extra Physics lesson after school with Mr Adeyemi after school, on Thursdays' commencing 9th October 2014 from 4.00pm – 5.00pm.

The Department strongly requests all pupils in this set to attend these after school lessons on a regular basis.

Although your daughter will be allowed to collect her mobile phone at 3.45pm, she is not allowed to use it. Any pupils found switching on a mobile phone will have it confiscated for one month as per school policy. If you need to contact your daughter please phone the school office which is open until 5pm.

Please ensure that your daughter is picked up promptly at 5pm.

Thank you for your cooperation

Wassalam

Mrs S Tahir

Acting Head of Science

YEAR 11 AFTER SCHOOL TUITION 2014-15
