

14th September 2015

Assalamualaikum

Dear Parents,

With the rise in use of smartphones and personal technology, MIHSG has planned an event for parents/guardians on **Tuesday 20th October 2015, 6pm – 7.30pm**. The purpose of the evening is to inform parents/guardians of the uses of the internet and its dangers, with particular focus on social media [Facebook, Twitter, Snapchat, Tumblr, etc.] and the use of smartphones by young peoples.

For many of us, this technology is new and not something we have grown up with, therefore often rely on our children to teach us a thing or two, insha'Allah, through this evening and others, parents will develop an understanding of the various technological platforms now available and how to ensure their children are safeguarded when using the internet.

There will insha'Allah be various opportunities throughout the evening for parents to ask questions and discuss issues with other parents and members of staff.

We hope that insha'Allah parents find the evening of benefit. I would be extremely grateful if you could please return the reply slip below to **Mrs S Shaheen** no later than **Friday 25th September 2015** to confirm your attendance.

Jazakh'Allah for your support and co-operation. Insha'Allah by working together we can ensure that our young girls are safe online and develop good habits.

Walaikumsalam,

Mrs S Shaheen
Head of ICT
