Dear Parents & Guardians,

Assalamualaikum.

Re: Terror attack

In light of the appalling attack at the Manchester Arena last night, all our thoughts are with the family and friends of those who have lost loved ones, been injured or traumatised. The police, hospitals and emergency services are doing everything they can to support the community.

We have received several calls from worried parents and we can report the following measures have taken place to reassure the pupils and parents:

- An assembly took place to remember and pray for those who lost their lives and pupils were also advised on how to keep themselves and others safe
- The Police were contacted for advice in light of Manchester Arndale Centre and Media City being evacuated. They advised everything was “business as usual” unless they were alerted otherwise.
- The Police visited the school to reassure and inform of their presence around the area should the need arise for extra support
- All staff were outside on duty at the end of the day to ensure pupils felt safe as they left the building and will continue to do so until the end of the week.

Whilst we can do everything possible to make the pupils feel safe at school, as parents we urge you to be more vigilant and to report any suspicious activity to the police.

Please do not hesitate to contact me should you feel to discuss these matter further.

Wassalaam
